

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

9 December 1981

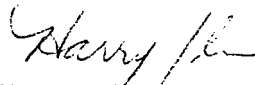

It has been eons since we have been in touch. It is good to hear from you.

I should tell you something about the National Intelligence Council. It is quite a small operation centered on the activities of a dozen National Intelligence Officers plus a few supporting analysts. It isn't one of the large intelligence operatives, and the criteria for selection of people here are quite special.

It would be good to see you over the holidays

Best wishes,

Harry Rowen
